Re: Bingham Creek

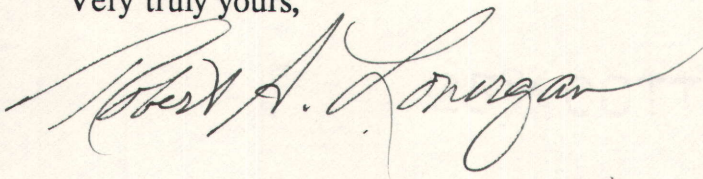

Dear Mr. Hedberg:

This letter is in response to your letter of January 24, 1991 to Michael Gibson in which you requested information concerning certain activities which occurred last November on portions of Bingham Creek Channel on Kennecott's property.

Attached is a letter, dated 7 January 1991, from Mr. Dimock to Kent Gray which details the activity which is of concern to you. I believe that you will conclude that Kennecott's activities were not "mining related activities."

If you have any further questions, don't hesitate to contact me.

Very truly yours,
